The OFFICE of the MARION COUNTY SURVEYOR SECTION CORNER RECORD			
MARION COUNTY, INDIANA Sec. 4 Twp. 16 Range 5			
DATE: 4 - 29 - 83 CREW: P.C Green INST Leary ROD TYPE of MARKER: 5/8" steel rebar COND. of MARKER: Good METHOD of ESTABLISHMENT: This point is in the location of a stone found previously (see 7/21/78 ties). The location was perpetuated using a plat of Section 4-16-5 prepared by Schneider Engineering in Sept. 1981 since all ties on the 7/78 ties are gone. A traverse was run by the MCSO in Feb. 1983 to reproduce the Schneider Survey. This corner falls in an open field. Coordinate data to locate the corner is available through the MCSO or Schneider Engineering.
